

RICHMOND INSTITUTE OF SPORTS LEADERSHIP APRIL UPDATE

The Staff at the Richmond Institute have worked tirelessly to convert studies to an online face-to-face format for Term 2.

Term 2 has kicked off to a great start with attendance levels sitting at 90%.

RISL students have had firsthand insights into how the Elite Sporting Industry is responding to the pandemic and what it's potential impacts will be on the AFL.

AFL GROWTH PROGRAM

The RFC Senior Players have also been keen to get involved with our AFL Growth Program.

“We have created the AFL Growth Program and Wellbeing Program, which engages the students in an exciting opportunity to talk with RFC players and get their week off to a positive start”.

Thank you to all the players who contributed in our first week of the program. We are looking forward to the next few weeks with you!
