Introduction

This School Based Traineeship (SBAT) is designed to kick start your career as an employee in a range of community services, health and leisure management areas including client support, health/exercise programming, education and welfare. The program combines part-time work with Aligned Leisure (a minimum of seven hours per week for the duration of the traineeship), whilst undertaking a nationally recognised qualification with Swinburne University of Technology in collaboration with the Richmond Institute.

With a focus of health and leisure, the program provides students with the experience and knowledge required for future success in the industry.

How the School Based Traineeship works

A School Based Traineeship combines a senior secondary program (VCE or VCAL) with part-time employment and studies of a nationally recognised qualification. As a school based trainee

successful applicants will participate in scheduled training and employment each week. Students will be registered with an Apprenticeship Network Provider who will assist with lodgement of a Training Contract.

Pathways

Students who successfully complete this program may:

- + Be accepted into the Richmond Institute of Sports Leadership
- + Have the opportunity to undertake further studies with Swinburne
- + Be eligible for further employment opportunities with Aligned Leisure

Aligned Leisure

Aligned Leisure manage aquatic, leisure and sporting facilities (currently in Cardinia, Nillumbik, Albury/Wodonga & Mildura).
